BUFFET BY REVOL

- Reinvent the Buffet

- By observing buffets of all kinds through our encounters with chefs from different cultures
- By studying colours and materials trends

- Offer an **alternative**

- Always with **indispensable practical tools** necessary to buffets
- But also with a **more personal and bold touch**
- An **artistic and adventurous signature**
 - Through textures and materials
 - Through the originality of the design
 - Through the colours
 - Through the intuitive ergonomics of the shapes
- **Accessories**, complementary of porcelain, **designed exclusively by REVOL's designers**
